REQUIREMENTS

- I. All work to be carried out must have a 50% advance payment, otherwise no date of receipt will be given.
- II. The work order must include in detail the characteristics of the work: color, material to be used, send photograph. In the event that work is stopped for
The lack of data will be added to the days lost due to the situation.
- III. Work must be settled upon delivery. Not after.
- IV. A reasonable amount of time is necessary to prepare your work, counting only business days. 10 working days.
- V. In order to grant a delivery date, it is necessary to check that the prints and/or working models are in good condition.
- SAW. The working models must be full arch, regardless of whether they are small restorations such as inlays or individual crowns.
- VII. For works completely free of metal and those where the elaboration of Geller models has been indicated, it is essential to send the work spoon,
Otherwise, the work cannot begin.
- VIII. ALL THE ADDITIONS THAT ARE LATER AND WHICH ARE NOT THE FAULT OF THE LABORATORY, THAT IS DUE TO LACK OF PHOTOS, COLOR OF
SPECIFIC SUBSTRATE OR FINAL COLOR WILL HAVE AN EXTRA COST OF \$200.00 PER UNIT, AND SHIPPING WILL BE AT YOUR OWN EXPENSE.
- IX. Requirements for anterior sector: antagonist model, final impression, bite registration, prototype (mockup), photos, substrate color and final color.

WARRANTY

- I. Those works that, due to lack of correct handling in the office, suffer fractures or, failing that, the total loss of the restoration, lose the guarantee.
- II. No warranty is extended on work that, being well adjusted to the working model, does not fit correctly in the mouth, since this is due to
distortions in the work model.

COMMUNICATION

- I. In case of any problem with the laboratory services provided to you, we recommend that you communicate directly with the personnel in charge of the
lab to resolve any issues with your case.
- II. In the most attentive manner, we ask you to respect when approaching the laboratory workers, since inappropriate behavior will not be tolerated.
